## Who we are

### [Meet our young people](#)

Find out more about some of the young people who we currently work with, and some of our previous members.

### [Were you a former member of Children's Express?](#)

We'd love to hear from former members of the organisation and find out what you are up to now.

### [Meet our staff](#)

Meet the people who help our young people to become better journalists and citizens.

### [Our supporters](#)

We are very grateful to these organisations who support us in a number of different ways.

### [Trustees](#)

Our trustees are volunteers responsible for the accountability of Headliners, and make sure we are operating within budget and according to our objectives.
