

## My Time Off - Emma

### Emma MacDonald tells Children's Express how she spends her summer

*Emma MacDonald, 10, starts her final year at Broom Leys Primary School in Coalville, Leicestershire, next term.*

I've already been on holiday. I went to Mablethorpe to stay with my auntie. She invited me, my brother and sister and my Mum and Dad for a week. There's a massive fair at Mablethorpe it's brilliant. My favourite rides are the Waltzer and the Big wheel.

I went swimming every day in a huge indoor pool with a massive slide I didn't go to the beach or see the sea all week.

I love playing football, tennis and basketball. My favourite sport is football. I'm a good player. I play in a girls team at school. Before the summer we had a six-a-side competition boys against girls. The boys won 3-0.

I play football at Greenhill Youth Club with my friends over the summer. Some girls think that I'm a tomboy but I don't mind.

We haven't got a cinema or anything. If I could put anything in Coalville, I'd put in a park and a football pitch.

My dream way to spend the summer would be in Australia. I watch Neighbours and Home and Away on television and that makes me want to go there. I think it would be really hot and nice. I'd take my teacher Mrs Ward, with me because she goes every year and she'd know all the best places to go.
