

My Time Off - Simone

Simone Noel tells Children's Express how she spends her summer holidays

Simone Noel, 9, will be in Year 5 at St. Marys in Westbourne Park, west London.

The best thing about the summer will be taking part in the Notting Hill Carnival. This will be my first time. My costume has got blue and white diamond patches going all the way up it and one sleeve that has got lots of feathers on it. The other one is just normal.

I'm going camping in August for a week but its not a proper holiday. Im going to the New Forest with my friends and people from my play centre. I know what its going to be like because they showed us pictures. You can choose to stay in houses or tents. I chose a tent because I want to see how it feels staying outside. You feel the cold as well.

I can do contemporary jazz dance. I can also play the recorder, the piano and a bit of the guitar, so I'm going to practise over summer as well.

The worst thing about the summer is that its going to rain a lot. Sometimes I get bored too. I like to go swimming, go to my friends house or go to the park.

The best thing about going back to school is meeting your friends and teachers. People have to change school because theyve been naughty or they havent been in school for a long time. Im staying at my school next year.
