

Down on the Farm video

Four of our young reporters made a report about an eco-friendly city farm as part of Sky's Green Britain. The report was shown on Sky News and Five News on Channel Five.

Jamie Craig, 13, Bethany Scott, 11, Maryam Akerbousse, 6, and Sophia Anderson, 9 took a trip to Freightliners Farm in north London.

They found out what sort of things it does to stay environmentally-friendly.

They also got the chance to meet some of the animals and interview manager Mary Whiting.
