

Babies Having Babies

In the UK the legal age for having sex is 16. How does the law reflect how young people and adults feel about this issue?

And what about the consequences?

The UK has the highest teenage pregnancy rate in Europe. And even though in the last three years, the government has spent nearly £63million on campaigns to reduce it, many London boroughs have seen a huge increase. Bexley being one of them.

Headliners reporters Ashley Chaise, 15, Bainusa Kamara, 15, Georgia Glover, 15, Jack Hoadley, 15, John Dwyer, 15, Kunle Lanlokun, 14, Lauren Burke, 15, Shane Hulott, 14, Terri Williams, 15 and Victoria Peters, 15 went to find out.
