Great magazine

I think this mag is great. i think its really good that some girls that like still go to school have created a magazine by theirselves and put all their thoughts and ideas into it. They have been very creative with making a magazine and all the stuff they have put in it is great. I enjoy reading it and all that.i just like sit at home and read this from the internet. is it on sale yet? I dont know:L i think it should deffo go on sallee though, It would be GREAT:D
